Trailer Body Builders Magazine Publishes EnviroServe's Own

Dunn, NC - *EnviroServe Chemicals'* Marc Oprean and Chris Klingenberg together have recently published an article in a trailer manufacturing magazine "Trailer Body Builders". This article entitled "Advancements in surface prep get truck bodies, trailers ready to paint." advises potential product preparers about painting issues they may encounter - and advantages they will receive.

The article also discusses zirconium pretreatment and its many advantages along with case studies.
