## **EnviroServe Partners with Manual Spray Equipment Company**

Dunn, NC - ***EnviroServe Chemicals*** announces that they have recently partnered with one of the largest and most reputable manual spray wand equipment companies in the United States.

***EnviroServe Chemicals*** has teamed up with PEM Corporation to provide a single source for manual spray wand pretreatment processes.

PEM Corporation is a world leader in metal cleaning, pretreatment and chemical application equipment. Their cutting edge technology will reduce cleaning and pre-treatment costs giving our customer's better paint adhesion and corrosion protection.

***EnviroServe*** will begin selling and servicing these units as an added benefit to their current and prospective customers. To learn more about this spray washing and pretreatment equipment, contact your local ***EnviroServe*** rep or call 910.892.1791.

For more information on ***EnviroServe Chemicals*** contact: 910.892.1791 (main) 910.892.5765 (fax) 603 South Wilson Avenue, Dunn, North Carolina 28334. [www.enviroservechemicals.com](http://www.enviroservechemicals.com).
